Dear Valued Customer,

A visa for China **WILL** be required for all Australian passport holders, travelling to China.

For a small fee of \$22.00 per visa plus courier cost, we can offer you a hassle free solution to ordering your visa. Here at Integrity Travel, we will supply your designated visa application forms, payment to the consulate and arrange all couriers of your passport to and from the consulate securely and efficiently.

* Processing of your visa for China will take a minimum of 5 working days plus 2 extra day for courier transport to/from consulate.

AUSTRALIAN passport holders require:

- 1x Passport (must have min 6 months validity 'after' you return from your trip and two blank facing pages available within)
- 1x Passport Photo
- 1x Completed Application Form
- 1x Travel Itinerary (we can supply this)
- 1x \$40.00 per person

Note:

1. The Chinese Consulate will not issue visas to those who have travelled to the USA or Mexico within 7 days prior to lodging their visa application
2. Section 5 of the application form **must** be hand written by the applicant with the exact declaration:-

"Iyour name...declare that I have not had any H1N1 flu symptoms or experienced a fever in the last 7 days and understand it is possible or any people who has flu symptoms may be required for the medical observation upon arrival into China."

This Single Entry visa is valid 3 months from date of issue, and will allow you to **stay up to 30 days from date of entry into China.**

If you feel we should apply for an 'urgent' visa, these are an extra \$30.00 each for processing in 3 working days, or an additional \$50.00 for 2 days.

We would recommend providing the above details (either by 'registered mail' or in person) at least 3-4 weeks prior to travel, to avoid any last minute delays to Integrity Travel for processing, or you can apply directly to the consulate in person in your own state.

Kind Regards,

Kristi-Anne Butel
